

# VDI – Web-based access

1. Using the browser of your choice, navigate to [Horizon VDI Portal](#)
2. Login using your JENIE username and password using format: **ADU\JENIEUserName**

The image shows a VMware Horizon login window. At the top is a green icon of a monitor with a cloud inside. Below it, the text "VMware Horizon" is displayed. There are two input fields: the first contains the username "ADU\LaurenGerst" and the second contains a masked password represented by ten black dots. Both fields have a small 'x' icon to the right for clearing the text. Below the input fields is a large green "Login" button. At the bottom of the window is a "Cancel" link.

3. Click **Windows 10** to launch your VDI. \*You will see a “this site is not secure” warning, but you can proceed.
